Cohiba Siglo VI Review:

The new Siglo VI, presented now in order to commemorate such a significant date, will subsequently pass into the usual range of Cohiba and will be available in different countries at the start of 2003. As such, it will have limited availability and the usual brand band.

The new Cohiba Siglo VI comes in an exclusive format that will only exist in this Habanos brand. Its big format makes it possible to fully appreciate the aroma and taste of the Lánea 1492 with complete intensity.

Hoyo de Monterrey Epicure No. 2 Review:

Completely hand-made with tobacco leaves coming from Vuelta Abajo, this Robusto cigar, with excellent burn, is the last product from Hoyo de Monterrey. With a smooth strength, it has an intense tobacco taste, blended with cocoa, cinnamon and dried fruits.

Hoyo de Mont Petit Robusto – AED 165

Origin:	Cuba	Manufactured:	Hand Made
Gauge:	Thick	Length:	102
Format:	Petit Robusto	Ring:	50
Weight:	9.59 gr.	Score:	8.5
Presentation: Boxes of 25 Cigars			

Hoyo de Monterrey Petit Robusto Review:

Mild and earthy beginning. Evolves progressively without being aggressive. A very pleasant cigar. Reminds us with the glory days of Cuba (precastro small cigars like Rey Del Mundo Royal Serie No.3) Although we can feel the ammonia of a freshly rolled cigar (July 04) the aromas developed are so round and aromatic that we can almost forget that it's a young cigar. The finish is outstanding. We cannot stop smoking the last part even if we had to burn our fingers. A great cigar will be even greater in a 3-6 months' time. One of the best new cigars of 2004, our favorite. It has nothing to do with an Epicure No.2; We only hope that in the future Habanos will keep a consistent blend of this small jewel. LA CAVA.

Romeo Y Julieta Churchill – AED 240

Origin:	Cuba	Manufactured:	Hand Made
Gauge:	Thick	Length:	178
Format:	Julieta No. 2	Ring:	47
Weight:	15,07 gr.	Score:	8.0
Presentation: 2 Layers in a Box of 25			

Romeo y Julieta Churchill's Review:

This Churchill is a very strong cigar and, for those smokers who are not called veterans, it may take some time to really appreciate its taste. Strong, but at the same time smooth, this stick has a minimum ageing recommended of at least three years.

Montecristo #2 – AED 215

Origin:	Cuba	Manufactured:	Hand Made
Gauge:	Thick	Length:	156
Format:	Piramide	Ring:	52
Weight:	14,26 gr.	Score:	8.3

Montecristo No. 2 Review:

This Montecristo cigar is something to deal with. Those who prefer this brand, find in this particular model all the virtues from the Cuban brand, and those who do not know it yet, find in this stick the power of the best-selling brand in the whole world.

Montecristo #4 – AED 130

Origin:	Cuba	Manufactured:	Hand Made
Gauge:	Medium	Length:	129
Format:	Mareva	Ring:	42
Weight:	8,46 gr.	Score:	7.3
Presentation: 2 Layers in a Box of 25			

Montecristo No. 4 Review:

The taste of numbers 1, 3 and 4 is quite the same, coffee, cocoa and vanilla flavours blended in great harmony with medium tobacco taste. A minimum ageing of at least three years is recommended for this cigar to find its real potential.

H Upmann half Corona – AED 120

With a new vitola, H. Upmann Half Corona is the second 2011 launching before the incorporation of the new Serie E in the Partagas brand and the expand of their emblematic Serie D, which were tasted at the welcoming evening at the XIII Habanos Festival.

Partagas Serie P No 2 Review:

Habanos S.A. presented proudly the most eagerly-awaited cigar: The Partagas Serie P No. 2. The Serie P No. 2 is made by hand of leaves carefully selected from the best tobacco plantations in the Vuelta Abajo area. They come in the 52-gauge pyramid (or torpedo) size that is 6 inches (156 millimeters) long. Their blend "created by experts" bears the seal of this brand and the distinctive taste of its world-famous Series line, whose standard-bearer is the Partagas Series D No. 4. The Piramide Vitola, also known as Torpedo, is one of the most sought after and highly appreciated sizes among the enthusiasts in the art of smoking.

Partagas Serie D #4 – AED 175

Origin:	Cuba	Manufactured:	Hand Made
Gauge:	Thick	Length:	124
Format:	Robusto	Ring:	50
Weight:	11,66 gr.	Score:	8.6

Partagas Serie D No. 4 Review:

This is the last surprise coming from Partagas. A Robusto placed among the best in this format, following the patterns of what has been called "New School Habanos". If you like Partagas style, this is one of the best Robustos available beyond the shadow of a doubt.

Padron Serie 1964 Exclusivo – AED 210

The Padrón 1964 Anniversary Series line was introduced in 1994 to commemorate our company's 30th anniversary. This line consists of eleven sizes that are all available in sun-grown natural and maduro wrappers. All tobacco used in this limited production series is aged for four years, creating a smooth and complex flavor. In honor of the age-old Cuban tradition of box-pressing cigars, the 1964 Anniversary line was introduced as a box-pressed series. For the protection of our customers we have introduced measures to safeguard against counterfeiting with a specially designed double band featuring an individually numbered guarantee label. The Padrón 1964 Anniversary Series is consistently ranked by industry experts as one of the top brands in the world
